

Transferring Shares

Anyone holding publicly traded securities in a taxable (i.e. non-RRIF, RRSP, TFSA) account will save both the full capital gains taxes on their share donation amount, as well as receiving the full-tax deduction receipt that they can use on their tax return.

This is definitely advantageous to anyone who holds publicly traded taxable securities.

To donate shares, simply fill out the form on the back of this sheet, and return it to the Church Office.

If you have questions, contact [Janni in the Church Office](#) at 604-926-1621.
